DATE: June 21, 2009
DEPARTURE TIME: Noon

Join us for a drive through such metropolises as Prescott, Beldenville, El Paso and Spring Valley!

This will be a pleasure drive of about 60 miles through scenic western Wisconsin on mostly quiet, paved country roads (except for the last quarter mile). We will begin the tour at our home in Afton and end at a very interesting farm just south of Glenwood City, Wisconsin.

The farm owners have a really fine collection of about 25 horse drawn vehicles on display. There is a good chance that they will hook up one or more of their carriages and give you a feel for a nineteenth century sports car. The carriage house has a fine party room where we will have beverages and hors d'oeuvres. If you wish to bring a bottle of your favorite wine, please feel free to do so.

Please let us know if you can join us so we can make sure you won't go away hungry.
We will have maps for the drive available.
