Join us for a pre-play happy hour at 6:45 pm and chat with a few people from the cast and enjoy a glass of wine before the play begins.

The Seafarer takes place in Dublin on Christmas Eve. Old drinking buddies are playing cards and a stranger arrives and joins the game.

Now one of the men might be playing for his very soul.

“Startling and eerie.....and the funniest play McPherson has written to date.”

-the London Observer
