

Save Saturday, October 23rd

for what is likely to be our last motoring tour before tucking our cats away for the winter.

We will drive south and west (42 miles) to New Prague taking a route through the beautiful Minnesota Valley scenery and will end up for a wonderful luncheon at

Schumacher's nationally acclaimed Czech and German styled restaurant in

New Prague.

The staff put together this special menu for our club. We need to indicate your choice(s) to the restaurant by Thursday, October 14th. Please email me at XjR96@msn.com.

The menu choices are \$20 or less, and do not include beverages.

We will start out from the parking lot across from the Ford Plant on the East River Road in St. Paul (where we met for Dale and Barb Martin's previous tours of the city lakes) and will leave at 10:15 AM. We need to arrive at the restaurant by 12:15 in order to hold our private Garden Room. (We will hand out directions at the assembly point prior to the drive.)
