Event Details

Registration:

Register for the event and receive your event package.

Golf:

A Best Ball tournament to get into the swing of things. Emphasis is on fun.

Meet and Greet Social:

Drop in at the Neebing Roadhouse across the street from the Hotel to relax and renew acquaintances. Get the details and sign up for the Tours planned for Friday.

Guided Tours:

Option 1- Russ Wanzuk Racing Museum Tour. This is a morning tour. Russ has built up an impressive collection of vintage race cars and memorabilia from the area. There are a few hotrods thrown in for good measure.

Option 2 - Ouimet Canyon / Amethyst Mine Tour. This is an all day tour so if you take it, you will not be able to attend the Funkhana.

Option 3 - Artisan / Craft Tour. Visit local craftspeople and Artisan shops in the area.

Funkhana:

Challenge your skills in our precision, albeit a bit silly, driving test.

“Cruise to Chippewa” BBQ & Car Show:

This is a casual car show at a local Park. We have invited the other local car clubs out to this event to show off the other types of car nuts we have in town.

Rally / Tour:

This year we are having the option of doing a Time Distance Rally or a Casual Trivia tour. The route will be the same but not necessarily the direction. The event is about 2 hrs Max.

“Wake the Giant” Casino Show and Shine:

Show off your car at the Thunder Bay Charity Casino. There will be trophies for Peoples Choice, best vanity plate, best closed car, best open car, and Diamond in the rough.
